3.	Please comment on the course structure and on the readings and assessments.	I really enjoyed the course. Thought it was a perfect entry level engagement course. Nyssa was an excellent instructor, even though almost the entirety of the class was taught in Spanish, she was able to understand when many of the students were struggling and used a combination of English and Spanish to sufficiently guide students in the right direction. Would take the course again and recommend the professor to anyone who was interested in taking a Spanish course.
